Enrollment for Next Year

Registration is moving along quickly this year! If you haven't already done so and would like to register, please do so before all spots are filled.

Mark Your Calendar:

Please remember that August's tuition for the 2024-2025 school year will be due at the end of May (you will receive an invoice). If you have registered and your plans have changed, please let us know right away as many of the classes have already gathered waiting lists.

Parent Tip of the Month:

Positive Parenting tip from parentalquestions.com: One way to help your preschool child get ready for kindergarten is giving them small jobs that aid responsibility and encouraging them to be careful when on task. These chores will help your child develop independence and resilience. Some great chores are: Emptying wastebaskets, watering flowers, fixing their own cereal, using a small broom to clean up crumbs, sorting laundry, keeping their bedrooms clean, setting the table.
