Valentine Party Info

Each class will be making Valentine bags and exchanging valentines for their in-class party. Please send valentines with your child so that he or she may pass out valentines to his /her classmates. We would like to request that you send enough valentines with your child so he or she may give one to each child in **his or her class**. Please check with your child's teacher to see how many children are in the class. *If you leave the space blank for whom the valentine is to be given, your child will be able to easily drop a valentine in each bag.* The T/TH three-year-olds, will be exchanging Valentines on Thursday, February 9th and the MWF 3's will be exchanging on Friday, February 10th.

Registration will open to current families

On February 20th, we are accepting registrations from current families. If you are planning on re enrolling for next year or would like to enroll a sibling. We are offering a referral discount. If you refer a friend and they enroll their child, you will receive a \$50 credit on your September 2022 tuition and so will they! It is our way of saying thank you for spreading the word about our program.

Positive Parenting Tip:

Do you often hear your preschooler asking, "What are we going to do next?" When children know what to expect next, they feel safe, relaxed and confident to explore. Those times of less structure are important as well. During these times children feel free to dream, relax, and let their imagination go wild!
