Spring Clothes Swap

As the weather warms up we need to send home the winter spare set of clothing and trade it for a spring set. Please send it in at your convenience. When you hand us a new set or we discover it in your child's bag, we'll trade it out with what we have here and send the winter clothing home.

Parent Tip of the Month:

Teaching self-control is one of the most important things that parents can do for their kids. By learning self-control, kids can make appropriate decisions and respond to stressful situations in ways that can yield positive results.

Here are a few suggestions:

You can continue to use timeouts, but instead of setting a specific time limit, end timeouts when your child calms down. Remember to praise your child for not losing control in difficult situations. "I like how you stayed calm!"
