Show and Tell: Land Transportation Vehicle

Each class will be making Valentine Bags and exchanging valentines for their in-class party. Please send valentines with your child so that he or she may pass out valentines to his classmates. We would like to request that you send enough valentines with your child so he or she may give one to each child in **his or her class**. Please check with your child’s teacher to see how many children are in the class. ***If you leave the space blank for whom the valentine is to be given, your child will be able to easily drop a valentine in each bag.*** We will be exchanging Valentines on Wednesday, February 14th.

Mark Your Calendar:

Registration will open to current families on February 5th. If you are planning on re-enrolling next year or would like to enroll a sibling, we encourage you to do so as the remaining spots are expected to fill quickly.

Parent Tip of the Month:

Structure and routine is an easy way to enforce rules. This will help them become independent and gain confidence. For starters, set a morning routine, mealtime routine or bedtime routine. Create a visual chart to help them remember. Then stick to it! Kids will learn by repetition and going through the motions on their own.
