### Parent Tip of the Month:

Do you often hear your preschooler asking, “What are we going to do next?” When children know what to expect next, they feel safe, relaxed and confident to explore. Those times of less structure are important as well. During these times children feel free to dream, relax and let their imagination go wild!

### Reminders:

#### Valentine Party Info

Each class will be making Valentine bags and exchanging valentines for their in-class party. Please send valentines with your child so that he or she may pass out valentines to his/her classmates. We would request that you send enough valentines with your child so he or she may give one to **each child in his or her class**. Please check with your child's teacher to see how many children are in the class. If you leave the space blank for whom the valentine is to be given, your child will be able to easily drop a valentine in each bag. The T/Th three-year-olds will be exchanging Valentines on Tuesday 2/13 and the MWF 3's will be exchanging on Wednesday 2/14.

### Mark Your Calendar:

Registration for the 2024-2025 school year opens for currently enrolled students and their siblings on February 5th at 8:30 am.
