Tip of the Month:

Let your child help with simple chores like: putting away toys, put dirty clothes in hamper, unload dryer, match socks, count napkins and silverware and set the table for dinner, put dirty dishes in the sink and water plants. *These tasks help develop a sense of responsibility, effort and independence.*

A few reminders:

Please bring in a winter set of clothes the week of October 10th to swap with the warm weather set we currently have here at school. Please write your child's name on his/her coats/jackets.
