Show-n-tell: Something related to fruits and vegetables

### A few reminders:

We are encouraging independence at school. Please help us by having your child remove his or her folder and hang up his or her bag. We hope this will be a great step in preparing them for next year.

Please bring in a winter extra set of clothes the week of October 10<sup>th</sup> to swap with the warm weather set we currently have here at school.

Please write your child's name on his/her coats/jackets. It is helpful to have your child wear a coat that he/she can remove and put on independently.

All Pre-K classes are invited to wear their costumes to school on Friday, Oct. 28<sup>th</sup>. They will enjoy some in-class fun with a special craft and treat (provided by the preschool.) At pick up time you will have the opportunity to walk your child down to our new church ministry space where you will have some fun and spaced out treat stations.

No School- Friday, Oct. 7<sup>th</sup>

No School- Monday, Oct. 10<sup>th</sup>

Fall Party- Friday, Oct. 28<sup>th</sup>

Positive Parenting Tip for Preschoolers from [cdc.gov](http://cdc.gov): Let your child help with simple chores like: putting away toys or groceries, sorting laundry, making their bed, setting the table or taking dishes to the sink. *These tasks help develop a sense of responsibility, effort and independence.*
