Tip of the Month:

While driving, point out different shapes, colors, letters and numbers with your child.

A few reminders:

When your child hangs up his or her own bag, it helps him/her with name recognition. As the weather gets cooler, he or she will hang their own jackets on the hooks as well. Please label names on jackets.

Show and Tell items are to help your child learn to describe things and helps with vocabulary and speech. Items must fit in your child's bag and be non-violent (no guns, knives, swords, etc.). Only one item per child, per week, please!
